

Eternally Yours - Business Overview

Executive Summary

Eternally Yours is a premier, full-service event and wedding planning platform. It bridges the gap between event organizers, specialized vendors, and clients seeking a seamless, premium event planning experience. The platform provides a centralized hub where clients can discover, save, and book vendors ranging from photographers to caterers, while vendors and organizers can manage their business, track enquiries, and handle bookings.

Core Value Proposition

- **For Clients:** A frictionless, visually stunning interface to explore curated event services. Clients can interact directly with organizers via live chat, utilize an AI-powered assistant for personalized vendor recommendations, and seamlessly book events.
- **For Organizers/Vendors:** A comprehensive "Vendor Portal" to list services, manage subscriptions, track real-time enquiries, and communicate with potential clients.
- **For Administrators:** A God-mode dashboard providing deep analytics on platform revenue, user engagement, and subscription management.

Key Features & Business Model

1. **Vendor Subscriptions & Listings:** Vendors (Clients) request and manage subscriptions for premium access to list their services on the platform.
2. **Event & Booking Management:** Seamless ticket/booking creation for listed events.
3. **AI Chatbot Assistant:** An intelligent chatbot that helps users navigate the platform, pulling real-time vendor data and providing Google Maps integration for physical venues.
4. **Real-time Enquiries & Live Chat:** Users can directly message organizers. Opening a chat instantly tracks an "Enquiry" to convert passive browsing into active leads.
5. **Advanced Analytics:** Custom chart designers and global tracking of platform metrics to drive business decisions.

Target Audience

- **Engaged Couples & Event Hosts:** Looking for high-quality, trusted vendors for weddings, receptions, and major celebrations.
- **Event Professionals:** Photographers, caterers, decorators, and venue managers seeking a dedicated platform to showcase their portfolios and manage client interactions.
